**Contact:** [gdpr@kontur-textile.eu](mailto:gdpr@kontur-textile.eu)

## WHAT ARE COOKIES?

Cookies are small text files that the website stores on your computer or mobile device at the moment you visit the site.

With each visit to the website, you will be prompted to accept or decline cookies. The purpose is to allow the website to retain information about your settings for a period of time. This means you do not have to re-enter them while browsing the website.

## WHAT COOKIES DO WE PROCESS?

Technical cookies

We must use certain cookies to ensure the operation of our website. In connection with processing these cookies, your consent to the processing of personal data is not required.

Purpose of processing

processing of essential cookies to ensure the operation of the website

Legal basis

legitimate interest under Article 6(1) lit. f) GDPR Regulation. The main legitimate interest is to ensure proper and flawless operation of the website.

Date of change:

Category of data subjects	website visitors
Category of personal data	a unique identifier that is part of cookies
Categories of recipients	trusted persons in a contractual relationship with the operator, entities to which the operator is obliged to provide personal data based on statutory obligation, CMS platform provider
Retention period for personal data	data will be processed for the minimum period required to fulfill the requests, i.e., during the duration of the session when browsing the website. Cookies expiration is stated in the "cookie settings" section.
Transfer of personal data to third countries or international organizations	is not carried out

## WHAT ADDITIONAL COOKIES DO WE PROCESS?

Information about which additional cookies we process is available in the cookie bar settings. The legal basis for processing these cookie files is Art. 6(1)(a) GDPR, which means we will process these cookies provided you give us your freely given consent. You can give consent by clicking in the cookie file panel according to your preferred settings. You can withdraw consent by clicking again in the cookie file panel according to your preference regarding stopping the processing of selected cookies. This information obligation directly corresponds to the information in the cookie bar located in the footer of the website. The stated cookie bar contains additional information to ensure the transparent fulfilment of the information obligation.

## RECIPIENTS

In case we use other cookies besides technical cookies (mainly analytical, statistical or

marketing cookies), may be a personal data recipient to a third party that provides these cookies or processes data through them. Such recipients can mainly be Google Ireland Limited, as well as other providers of advertising and analytical services.

If these cookies are active, personal data may be transferred to third countries, especially to the United States of America. Such transfer is carried out on the basis of legal mechanisms under Chapter V of the GDPR Regulation, namely:

- on the basis of the European Commission decision on adequacy (EU-US Data Privacy Framework), if the recipient is listed in the relevant list,
- or through standard contractual clauses (Standard Contractual Clauses – SCC) approved by the European Commission.

## HOW CAN YOU MANAGE COOKIES?

Cookies set on and used on our website can be managed by choosing your preferred setting in the cookie consent panel. If you wish to later adjust your cookie settings including withdrawing consent, you can do so at any time by clicking the link that allows managing cookies and which you will find in the footer of the website, or via your web browser. Cookies set based on previous choices will remain stored in the browser; after consent is withdrawn they will not be used. You can view or manually delete these cookies in the browser settings.

### Removing cookies from the device

By clearing your browsing history in your browser you may remove all cookies stored on your device. In this case you may also lose some stored information.

### Blocking cookies

Most modern browsers can be configured to prevent all cookies from being stored on your device; in such a case some preferences may need to be adjusted manually on every visit to a website. Some services and features may not work correctly.
